Y JGTGCU, the Board of Cooperative Educational Services Second Supervisory District of Suffolk County (the "BOCES") desires to undertake project (the "Project") consisting of the acquisition of certain computer equipment, and

Y JGTGCU, the cost of the Northport-E Northport Technology Project is \$575,360 with \$575,500 to be financed through JP Morgan Chase Bank, the interest rate of the financing will be 4.36% for forty-one (41) months, and

Y JGTGCU the BOCES further desires to take certain preliminary actions to provide such financing, including, but not limited to, the making of certain findings and evaluations of financing alternatives required pursuant to 2 NYCRR Section 39.2, and to execute the Lease Purchase Agreements, subject to the prior review and approval of the BOCES' counsel, Van Nostrand & Martin.

PQY."VJGTGHQTG."DG"KV"TGUNXGF, by the Board of Education of the BOCES as follows:

Section 1. The BOCES has evaluated the financing alternatives available to it and hereby determined that it is in the best interest of the BOCES to finance the project pursuant to the Lease Purchase Agreement for the following reasons:

- a) As provided by law and regulation, in accordance with 8 NYCRR 170.3, the project may not be financed by the BOCES under the New York Local Finance Law, but may be financed through an equipment lease purchase agreement. The use of an equipment lease purchase agreement pursuant to 109-b of the General Municipal Law provides the BOCES with a means to directly finance the Project.
- b) The only other financing alternative available to the BOCES involves the financing of the Project through certain joint action of the component school districts of the BOCES. This alternative would be costly and not meet the time schedule of the BOCES.
- c) The use of an equipment lease purchase agreement provides the BOCES with greater flexibility of structuring the financing, including, but not limited to, the timing of the closing of the financing and the establishment of principal repayment schedules.

Section 2. The President of the Board of Education is hereby authorized, on behalf of the BOCES, to execute and deliver the Lease Purchase Agreement, the Escrow Agreement and related documents, the Chief Financial Officer is authorized to execute payment request notices and, where appropriate, the District Clerk is hereby authorized to affix the aforesaid documents nor shall the District Clerk be held liable for said documents as aforesaid until the review and approval of the documents by counsel to the BOCES, Van Nostrand & Martin.

Section 3. The officers, employees and agents of the BOCES are hereby authorized and directed for and in the

name and on behalf of the BOCES to do all acts and things required or provided for by the provisions of the Lease Purchase Agreement, including all acts and things necessary to ensure the interest component of the rental payments due under the Equipment Lease Purchase Agreement is excludable from gross income tax pursuant to Section 103 of the Internal Revenue code of 1986, as amended (the "Code"), and to designate the Equipment Lease Purchase Agreement as a "qualified tax-exempt obligation" under Section 265 of the Code, and to execute
